ASSIGNMENT AND AGREEMENT

For value received, I, Stuart T. Stanton, of Bridgewater in the County of Somerset and the State of New Jersey, hereby sell, assign and transfer to Agere Systems Inc., a corporation of the State of Delaware, having an office at 555 Union Boulevard, Allentown, Pennsylvania 18109, U.S.A. and to eLith LLC, a limited liability company having a place of business at Suite 105, Murray Hill Office Center, 571 Central Avenue, New Providence, New Jersey 07974, U.S.A. and their successors, assigns and legal representatives, the entire right, title and interest, for the United States of America, in and to certain inventions related to **Projection Electron Beam Lithography Apparatus And Method Employing A Kalman Filter** described in an application for Letters Patent of the United States, Serial No. 09/940512, filed August 29, 2001; and all the rights and privileges in said application and under any and all Letters Patent that may be granted in the United States for said inventions; and I also concurrently hereby sell, assign and transfer to Agere Systems Inc. and eLith LLC the entire right, title and interest in and to said inventions for all countries foreign to the United States, including all rights of priority arising from the application aforesaid, and all the rights and privileges under any and all forms of protection, including Letters Patent, that may be granted in said countries foreign to the United States for said inventions.

I authorize Agere Systems Inc. and eLith LLC to make application for such protection in their own name and maintain such protection in any and all countries foreign to the United States, and to invoke and claim for any application for patent or other form of protection for said inventions, without further authorization from me, any and all benefits, including the right of priority provided by any and all treaties, conventions, or agreements.

I hereby consent that a copy of this assignment shall be deemed a full legal and formal equivalent of any document which may be required in any country in proof of the right of Agere Systems Inc. and eLith LLC to apply for patent or other form of protection for said inventions and to claim the aforesaid benefit of the right of priority.

I request that any and all patents for said inventions be issued to Agere Systems Inc. and eLith LLC in the United States and in all countries foreign to the United States, or to such nominees as Agere Systems Inc. and eLith LLC may designate.

I agree that, when requested, I shall, without charge to Agere Systems Inc. and eLith LLC but at their expense, sign all papers, and do all acts which may be necessary, desirable or convenient in connection with said applications, patents, or other forms of protection.
